MEDINOVA BIOSCIENCES

Medinova is a prominent player in the pharmaceutical sector, specializing in PCD (Propaganda Cum Distribution) and third-party manufacturing Company with **AN ISO 9001:2015** based in Chandigarh.

Medinova is led by thorough professional Mr. Rajdeep Singh, an entrepreneur, visionary with 30 years of pharmaceuticals experience in ethical marketing & sales, manufacturing has established a solid reputation for delivering high-quality pharmaceutical products that cater to a variety of therapeutic needs.

With a commitment to innovation **Medinova** provides a comprehensive range of medicines, including antibiotics, anti-inflammatory agents, pain management solutions derma and Nutraceuticals. We are pleased to highlight our sister company **Medinova Lifesciences** which specializes in nutraceuticals. This expansion allows us to address broader health and wellness needs. Their focus on quality ensures that every product meets stringent **WHO GMP** standards which has earned them the trust of healthcare professionals and patients alike. As a PCD pharma company **Medinova** offers lucrative franchise opportunities across India, empowering entrepreneurs and businesses to tap into the growing pharmaceutical market.

The company supports its franchise partners with extensive marketing materials, promotional tools, and training programs ensuring that they have the resources necessary for success. This collaborative approach has made **Medinova** a preferred choice for many aspiring business owners in the healthcare field. In addition to its PCD offerings, the company is proud to offer third-party manufacturing facility providing clients with a cost-effective solution to meet their production needs. This service allows businesses to benefit from **Medinova's** advanced manufacturing capabilities without the burden of significant investment.

With a robust supply chain network, **Medinova** guarantees timely delivery of products, ensuring that its partners can serve their customers effectively.

Medinova's mission is clear to enhance the quality of life by providing access to safe, effective and affordable medicines. The company continues to expand its presence in the Indian market contributing significantly to the overall growth of the healthcare industry, by adhering to ethical business practices.

Medinova reinforces its commitment to quality and reliability in every aspect of its operations. As it navigates the evolving landscape of the pharmaceutical industry.

Medinova remains dedicated to fostering partnerships that drive mutual growth and success. Thank you for your unwavering support and trust. Let us move forward together towards a healthier future and welcomes healthy times as Good health is the Biggest Happiness.
